

Hotel Mobile App Vendor Checklist

This checklist should help you choose the right vendor for your hotel mobile application. In **costs**, please fill the amount of potential costs you might be charged (if applicable). Then set the **importance of the criterion** (1 – Not at all important, 5 – Extremely important) and **score** (1 – Absolutely terrible, 5 – Absolutely awesome). Then multiply importance and score and mark down the number to **weighted score**. At the end, sum up the total costs and total weighted score and compare it with other vendors.
